

Al-Salam Alaikom

Al-Hamdu Lillah, Al-Huda school students, staff, and administration are showing outstanding achievements. Students were able to pass part-one of the DIBBLES test.

Big thanks to those parents and donors who supported our school for the Tax Credit. May Allah reward them and benefit our children.

Physical education is very important for our students and thanks to Sister Betty AboulNasr for helping start the Mileage Club program. The program is a fun, non-competitive activity during our recess time. Students are working hard on keeping up with a good pace in each lap that they walk/run. As of January 27, 2010 students were able to finish three miles:

Abdulaziz and Ameera Abdulfattah	Abdikadar and Abdullahi Abdulahi
Ali and Noor Mohammed	Ayan and Nuradin Hassan
Haseebullah Rasoul	Maryum Aboul-Nasr
Mitra Rukai	Mohamed Alkawaja
Rebhea and Aya Shiha	Sahara Jamal
